Title & Author of Artwork:

How do these elements work together? Are there any relationships between different elements?

Use the following space to write an introductory paragraph. Try to highlight the three most important elements in the artwork, or the elements you have the most to talk about.

Use the following space to create topic sentences for each highlighted element:

1.)

2.)

3.)

Student Name:

Title & Author of Artwork:

Use these topic sentences to develop paragraphs using the descriptions you created for these elements. You now have your paper!
